Article Number: 187127

Safety Instructions:

- Caution: The ink may cause irritation on contact with the skin or eyes.
- Keep out of the reach of children under 3 years of age. Contains small parts that may pose a choking hazard.
- Shake well before use. Do not use upside down if there is a risk of the ink running.
- When the marker is open for a long time, make sure to save the ink to avoid excessive leakage.
- Do not use near open flames or high heat as the ink may be flammable.
