Safety Instructions:

- Observe the maximum load capacity of the desk to avoid damage or accidents.
- The desk should only be placed on stable and level surfaces to prevent it from tipping over.
- Keep small parts and accessories away from children to avoid the risk of suffocation.
- Arrange all cables and electrical connections securely to avoid tripping hazards.
- Avoid direct sunlight, extreme humidity and heat sources to prevent material damage.
- Only use recommended accessories to ensure safety.
- Follow the assembly instructions carefully to avoid stability and safety problems.
- Operate the height adjustment mechanism correctly to prevent crushing.
- Regularly check the screws and stability of the frame to ensure safety.
- Do not overload your desk.
- Avoid sharp objects on the tabletop to prevent scratches and damage.
- Children should not use the desk as a toy.
- The product is not suitable for children under 3 years of age.
- Avoid excessive force during use to prevent damage.
- Compliance with all safety requirements and instructions to avoid hazards.
- The desk should be assembled by qualified personnel.
- Keep the installation instructions in a safe place and read them carefully.
