Safety Instructions:

- Ensure that the add-on workbench is placed on a stable and level surface to avoid the risk of tipping.
- Choking hazard due to improper handling of small parts. Not suitable for children, keep children away.
- Avoid direct contact of the table top with water or chemical substances to prevent material wear.
- The plastic worktop is not suitable for working with aggressive chemicals.
- Wear suitable personal protective equipment such as gloves and safety goggles when using the product.
- Keep the work surface clean and free of obstacles to avoid falling and tripping hazards.
- Avoid sharp edges and corners to prevent injuries.
- Only use the workbench for its intended purpose to avoid overloading or damage.
- Observe the maximum load capacity of the workbench and table top to avoid structural damage.
- Regularly check the workbench and table top for cracks, wear and damage.
- Observe suitable safety precautions when installing or using heavy materials and electrical equipment.
- Ensure that all fastenings and accessories are properly installed.
- Use for commercial purposes only; not suitable for households or children.
- Read all the manufacturer's instructions and safety information carefully before use.
