Safety Instructions:

- Only use the product on surfaces intended for this purpose.
- Keep the labels out of the reach of small children as they could pose a choking hazard.
- Ensure that the labels are not used in areas where they could come into direct contact with food.
- The adhesive residue may be undesirable in certain applications, so check suitability before use.
- Not suitable for children under 3 years of age as small parts may be present.
- Read the packaging or instructions to ensure that the labels are used correctly.
- Ensure that the labels are applied to clean and dry surfaces.
