Safety Instructions:

- Observe safety precautions when handling the cutting machine.
- Only use the cutter for its intended purpose.
- Keep children away from the product as there is a risk of choking on small parts.
- Take care when cutting materials that are longer than the specified cutting length.
- Always retract the cutting head after use to avoid injury.
- Always check that the safety mechanisms are working properly before use.
- Read and follow the user manual carefully to ensure that all safety precautions are observed.
