Safety Instructions:

- Make sure that the desk is placed on a stable, level surface to prevent it from tipping over.
- Avoid overloading the table top to ensure stability and safety and to prevent deformation.
- Secure and route cables properly through the existing passages or cable ducts to avoid tripping hazards.
- Keep the product out of the reach of children and do not use it for children under 3 years of age to avoid the risk of injury.
- Regularly check the stability of the table legs, frames and moving parts to prevent wobbling or falling accidents.
- Follow the installation instructions carefully to ensure correct and safe installation and to prevent dangerous tilting movements.
- The height of the table should be adjusted while standing and in the correct position to avoid crushing.
- Use suitable accessories for safe use of the product and note that it is not intended for outdoor use.
- Keep the surfaces of the table clean and free of liquids to avoid the risk of slipping.
