Article Numbers: 294980, 294960, 294950, 294940, 294930, 294910, 294900, 294890, 299170, 299160

Safety Instructions:

- Install in accordance with the enclosed instructions to avoid safety risks and injuries.
- Assemble all parts correctly and securely to ensure stability and safety.
- Tighten screws and connections regularly to ensure structural integrity.
- Do not use as a ladder or for unsuitable purposes.
- Do not place heavy objects above the recommended load to avoid tipping over.
- Keep the area around the desk free of cables and obstacles to avoid tripping hazards.
- Only adults should adjust the height.
- Position on a stable, level surface to prevent wobbling or tipping over.
- Protect the table top from overloading and do not exceed the maximum load capacity.
- Protect the table from extreme temperatures and liquids to prevent damage.
- Ensure that the desk is stable and does not tip over, especially when adjusted to maximum height.
- Edges glued with plastic to prevent injuries from sharp edges.
- Only use the product indoors.
- Attach the required safety information in a clearly visible place or provide it in documents.
- Check regularly for damage to ensure suitability for use.
- Use the cable apertures carefully to avoid the risk of tripping.
- Stow cables safely and keep legroom free.
- Only use the tabletop in accordance with the specifications to avoid damage.
- Install assembly accessories such as occasional furniture securely to prevent tipping.
- Do not use if parts are damaged or missing.
- Not suitable for children under 3 years due to small parts.
