Safety Instructions:

- Use the height adjustment with caution to avoid injuries and the risk of trapping.
- The table is not suitable for small children; avoid small parts and possible choking hazard.
- Ensure stability during assembly to prevent tipping over.
- Do not place heavy objects on the edge of the table to prevent tipping or falling.
- Correct use of cleaning agents to avoid surface damage.
- Read the user manual carefully before use.
- Observe the maximum load capacity to ensure safety and stability.
- Protect from moisture, extreme heat and direct sunlight to prevent material damage.
- Regularly check the stability and strength of screws and connections.
- Lay cables neatly and use cable apertures to reduce the risk of tripping.
- Do not adjust beyond the maximum height setting.
- Avoid placing the product away from heat sources and moisture.
- Adjust the table height correctly to avoid injuries and back problems.
- Keep sharp objects away from the tabletop.
- Only use for the intended purpose and follow the installation instructions carefully.
- Carry out regular inspections for wear and correct functionality.
- Before use, ensure that all parts are correctly assembled and that the table is stable.
- Not suitable for children under 3 years, small parts may be included.
