Safety Instructions:

- Make sure that the desk is placed on a stable and level surface to prevent it from tipping over.
- Keep children and pets away from the desk and especially from the operating and moving parts to avoid injury.
- Check the electrical connections and components regularly to ensure that they are undamaged and working properly to avoid the risk of electric shock.
- Avoid contact of the electrical parts with water or other liquids to prevent electric shocks.
- Ensure that the cables are laid correctly to avoid tripping hazards and carry out proper cable management.
- Avoid jamming objects or body parts in the height adjustment area to prevent crushing.
- Read the operating instructions carefully and follow all safety instructions before use to ensure safe use.
- The desk is not suitable for use by children without supervision.
- In the event of damage or malfunctions, stop using the desk immediately and contact the manufacturer.
- Ensure that the control panel is not operated or modified by children to avoid operating errors.
