Safety Instructions:

- Avoid contact of the product with water or other liquids to prevent damage.
- Make sure that all cables and connections are laid securely to avoid tripping hazards.
- Observe the maximum load to prevent overloading.
- Avoid overloading the table top with heavy objects.
- Regularly check the stability and strength of the screws and connections.
- Avoid sharp objects so as not to damage the surface.
- Children should not play unsupervised near the table to avoid injury.
- The table should only be used by adults or supervised by adults.
- Keep the table away from heat sources and direct sunlight to prevent material damage.
- Ensure that the table top and frame parts are mounted stably.
- Always use the product on stable and level surfaces.
- Check the table height and set it correctly before use.
- Follow the enclosed instructions during installation to ensure safe use.
- The height adjustment of the table should be carried out carefully to avoid injury.
- Do not remove any safety or warning labels from the product.
- The product is not suitable for children under the age of 14 and poses a choking hazard due to small parts.
- Follow the instructions for correct care to maximise the service life of the product.
- Only use cleaning agents recommended by the manufacturer.
- Use cables safely through the cable aperture to avoid tripping hazards.
