Safety Instructions:

- Regularly check the table for damage or loose parts to avoid sharp edges and instability.
- The desk must be placed on a stable, level and non-slip surface to prevent it from tipping over.
- Observe the maximum load in consideration of specific article variants in order to protect the table structure.
- Only use the height adjustment mechanism provided and exercise caution to avoid injuries and pinching.
- Store cables neatly and avoid tripping hazards in the area of cable ducts.
- Carry out table assembly exactly according to the instructions; if necessary, commission specialised personnel.
- Product not suitable for children under 3 years of age; do not use as a climbing device.
- Keep the table away from heat sources, liquids and sharp objects to prevent damage.
- Avoid placing heavy or uneven loads to prevent tipping.
