### Safety Instructions:

- Ensure that the desk is mounted stably and stands on a level, stable surface to prevent it from tipping over.
- Do not exceed the recommended maximum load on the table top to prevent overloading and structural damage.
- Lay cables neatly and observe cable management to minimise the risk of tripping.
- Avoid aggressive cleaning agents and contact with water so as not to damage the melamine resin-coated surface.
- Follow the assembly and safety instructions exactly to ensure safety during assembly and to avoid injuries.
- Regularly check the stability, fastenings and hinges for strength to ensure safety.
- Follow the height adjustment instructions and be careful to avoid crushing and injury due to misalignment.
- Keep small parts out of the reach of children to avoid the risk of choking.
- Avoid using the furniture for unusual purposes.
- Check the product regularly for wear and tear or damage to ensure safe use.
