### Safety Instructions:

- Caution: Do not overload to avoid damage or tipping over.
- Keep out of the reach of children.
- Only use the mesh box for its intended purpose.
- Ensure that the pallet cage stands on a stable surface and can be stably loaded with the contents.
- Avoid sharp or pointed objects inside the mesh box.
- Make sure that there is sufficient space for safe removal when stacking the pallet cages.
- Keep the mesh box away from direct heat sources to avoid damaging the material.
- The mesh box is not suitable for storing food.
