Safety Instructions:

- Mount the pin board securely on a firm surface to prevent it from falling. Ensure that all installation steps are carried out in accordance with the instructions and only use the supplied mounting rails and fuse holders.
- Avoid using sharp or pointed objects on the cork surface to prevent damage and danger.
- The pin board is not suitable for children under 3 years of age, as small parts can pose a choking hazard. Keep small parts and packaging away from children.
- Avoid using highly adhesive or sticky materials that could damage the cork.
- Sharp edges can cause injuries, handle the pin board with care.
- Protect the pinboard from direct sunlight to avoid discolouration and keep it away from direct heat sources and moisture to prevent material damage.
- There is a risk of suffocation due to loose cork residue during use.
- Products are not suitable for children under 36 months.
