Safety Instructions:

- Caution: Small parts can be swallowed by children. Not suitable for children under 3 years of age due to choking hazard.
- The product is intended for use by adults; children should be supervised and the product should not be used by children unsupervised.
- Store safely and keep away from children.
- Instructions and safety information as well as instructions for safe use in the user manual should be included in understandable language.
- Ensure regular inspection of product conformity.
- Avoid risks if used improperly.
- Ensure that the product is only used with the intended materials.
- Ensure that all labelled front sheets are inserted correctly to avoid confusion.
- Please always ensure that the register is not damaged in order to avoid unintentional injuries.
- Secure the register when wet to prevent damage as it is made of plastic.
