Please note the technical data of the products!

Article Numbers: 136348, 136347

Safety Instructions:

- Choking hazard due to small parts that could be dangerous for children in or on the product. Store safely to prevent access by children.
- Due to the transparent plastic construction, the product can break and produce sharp edges if handled improperly.
- The drawers should not be overloaded to prevent the box tower from tipping over.
- The product must be stored out of the reach of children when not in use.
- When using castors, care should be taken to ensure that the surface is level to avoid falls or accidents.
- The rollers can become loose; regular inspection and maintenance recommended.
- Do not use above the maximum temperature limit of 80°C.
