Safety Instructions:

- Keep the storage box out of the reach of children, especially under the age of 3, as small parts could be swallowed.
- Only use the storage box for its intended purpose, such as storing office supplies.
- Avoid excessive loads to prevent tipping or breakage. Do not place any heavy objects on the storage box.
- Not suitable for storing food.
- Include safety information and instructions for safe use.
- Do not use the storage box as a seat.
- Avoid using near water sources, open flames or high temperatures.
- Keep the product dry and avoid direct sunlight or prolonged exposure to sunlight to prevent discolouration, deformation and damage.
- Avoid harsh cleaning agents and cleaning equipment to prevent damage to the surface of the storage box.
- Clean the storage box regularly to prevent dirt from accumulating.
- In the event of liquid spillages, clean immediately to prevent damage.
- Pay attention to slip resistance when using near water to avoid accidents.
- Avoid stacking more than 3 storage boxes to prevent the boxes from tipping over or crushing.
- If handled incorrectly, the corners can be sharp; caution is advised.
- Risk of suffocation from small parts if used incorrectly.
