Safety Instructions:

- Ensure that the container is not overfilled during operation in order to work safely.
- Keep hair, loose clothing and other body parts away from the feed opening to avoid injury.
- To avoid damage, do not use the appliance for materials other than those specified.
- Ensure that the appliance is disconnected from the power supply for cleaning and maintenance.
- To ensure safe operation, make sure that the devices are in good condition and are not damaged.
- Smaller parts, such as staples contained in the paper, can also be dangerous; keep hands away from moving parts.
