Safety Instructions:

- Only use the document shredder in accordance with the manufacturer's instructions.
- Keep children away from the appliance to avoid injury.
- Make sure that no objects that could impair the operation of the appliance get into the feed.
- Ensure that the document shredder is placed on a stable, level surface and is not overloaded.
- Do not use the appliance near water to avoid electric shocks.
- The double motor fuse serves as protection against overheating; the appliance should be serviced regularly.
- The appliance switches off automatically after 30 minutes in standby mode to ensure safety.
