Safety Instructions:

- Only use the product in accordance with the manufacturer's instructions to avoid injury.
- Keep the safety flap closed during operation to minimise the risk of injury.
- Make sure that no loose parts get into the feeder to prevent paper jams and possible damage.
- Avoid contact with the cutting units to protect against cuts.
- Remove all unusable materials from the feeder to avoid overloading.
- If the appliance overheats, allow it to cool down before using it again.
- Do not use the document shredder for materials that are not intended to be processed in this device.
- Store the device in a dry place, away from water and direct sunlight.
