Safety Instructions:

- Read the operating instructions before using the document shredder.
- The document shredder must not be used for the destruction of materials that are not suitable for this document shredder.
- Make sure that no items of clothing, hair or other body parts get caught in the cutting opening during operation.
- Keep the document shredder out of the reach of children.
- Ensure that the document shredder is placed on a stable and level surface.
- If the appliance overheats, activate the safety switch-off and allow it to cool down.
- Do not use the document shredder without the integrated overload protection.
- Empty the clippings container regularly to ensure optimum performance.
