Safety Instructions:

- Caution: Rotating blades can cause injuries. Never place hands or other body parts in the feed area.
- Only use the appliance in accordance with the operating instructions.
- Keep the appliance away from children. Not suitable for use by children.
- The appliance must be placed on a stable, horizontal surface to avoid the risk of it tipping over.
- Make sure that the document shredder is switched off in standby mode when not in use to save energy.
- Only use recommended paper types. Avoid inserting materials that are not suitable for the document shredder, e.g. thick paper, cloth or film.
- Carry out regular maintenance and cleaning work to ensure the service life of the appliance.
