Safety Instructions:

- Make sure that your fingers do not get into the feed area to avoid injury.
- The document shredder must not be operated in the vicinity of water or damp environments in order to prevent electric shocks.
- Keep small parts away from children to minimise the risk of choking.
- Only use the document shredder in accordance with the manufacturer's instructions to ensure proper operation and safety.
- Ensure that the collection bag is emptied regularly to prevent overflowing and any resulting hazards.
- The document shredder is operated at high power. Overheating due to prolonged use should be avoided.
