Article Numbers: 144264, 144263, 144262, 144261, 144260, 144259, 144258, 144257, 144256

Safety Instructions:

- Do not exceed the maximum user weight of 110 kg to avoid injury or damage.
- Do not exceed the maximum sitting time of 4 hours to avoid fatigue or health risks.
- Only adjust the seat height within the safe range to avoid the risk of falling.
- Regular inspection and maintenance of the air cushion for damage to ensure safety and comfort.
- Ensure that the product is only used by adults or under adult supervision for children.
- The product is not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Make sure that children cannot strangle or injure themselves with the air-filled half ball.
- Risk of injury from sharp edges or improperly fastened parts.
- To avoid the risk of electric shock, do not use the product near water.
- Risk of slipping if used improperly on smooth surfaces.
- Only suitable for use as part of the intended fitness exercises.
- Do not use the training device (half ball) unsecured to avoid injury during training.
- Do not use on hard surfaces to avoid the risk of falling.
- Follow the instructions for safe use and cleaning.
