Safety Instructions:

- Check the clothes locker regularly for sharp edges, loose parts and damage to avoid safety risks.
- Always mount the clothes locker stably on a level surface to prevent it from tipping or falling over.
- Observe the maximum load capacity and do not overload the clothes locker to avoid structural damage and tipping.
- Keep locks and keys safe, especially out of the reach of children, to minimise safety risks.
- Keep the clothes locker away from sources of water and moisture to prevent corrosion and rust.
- Only use recommended locks and ensure correct use to minimise safety risks.
- Handle the clothes locker with care during transport and assembly to avoid injury from sharp edges.
- Follow the cleaning instructions to avoid injury and ensure that no cleaning agent residues remain.
- Product not suitable for children under 3 years due to choking hazard from small parts.
- Attach warning notices on the correct use of the locking mechanism.
- Do not place the clothes locker in extremely cold or damp rooms in order to avoid material damage.
