### Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed.
- For use with suitable laminators only; improper use may result in overheating or fire hazard.
- Avoid direct sunlight during storage.
- Not suitable for contact with food.
- Keep out of the reach of small children.
- Avoid contact with water and other liquids, as this can affect the shelf life.
- Do not store near open flames or heat sources, as the films may be flammable.
- Can be damaged if used incorrectly. Please use in accordance with the instructions.
- Regular inspection of the laminating machine is recommended to ensure safe use.
