Article Numbers: 166182, 166181, 166180, 166179

Safety Instructions:

- Not suitable for food packaging. Not suitable for contact with food.
- Choking hazard due to sharp edges and small parts. Not suitable for children under 3 years of age.
- Do not bring near fire or expose to extreme temperatures.
- Take care when handling hot materials to avoid burns.
- The use of the wrappers should be supervised to ensure that they are not placed in the mouth by young children as they could be considered a potential choking hazard.
- The cover sheets should not be used near water or in a damp environment to avoid the risk of damage and associated injuries.
- Packaging should be completely removed before the product is used to avoid injury from sharp edges or small parts.
- When used in binding machines, care should be taken to ensure that the machines are used in accordance with the manufacturer's instructions in order to minimise the risk of accidents at work.
- Please avoid contact with the glossy surface to prevent fingerprints and other residues.
- The use of unsuitable binding machines can damage the product.
- Protect from direct sunlight to avoid discolouration.
