Article Numbers: 136743, 136742, 136741, 136740, 136739, 136738, 136737, 136736

Safety Instructions:

- Caution: Risk of injury from sharp edges and corners.
- Choking hazard due to small parts - cupboard doors and locks may contain small parts.
- The safety cylinder lock is only accessible to adults. Keep the keys safe and out of the reach of children.
- Ensure that the cabinet is stable to prevent it from tipping over.
- Avoid overloading the cabinet to ensure stability and safety.
- Always keep the doors of the safe deposit box closed to minimise the risk of injury.
- The product should not be used in damp environments to avoid rust formation.
- Follow the assembly instructions carefully to ensure a stable installation and avoid injuries.
- The product is designed for commercial use and should be kept out of the reach of children.
- Keep the cabinet dry to avoid the risk of slipping due to wet surfaces.
- The safe deposit box is made of sturdy sheet steel. Take care not to use any sharp objects that could damage the surface.
