Safety Instructions:

- Ensure that the letter slot is securely installed to avoid injury.
- Do not load the incision with heavy objects to prevent breakage or damage.
- It should be used with caution in areas with children to minimise the risk of injury due to improper use.
- Make sure that there are no small parts that could pose a choking hazard to children.
- The product must contain clear instructions and appropriate safety information for safe use.
- Manufacturers must ensure that the product fulfils the general safety requirements.
