Article Numbers: 170503, 170502, 170501, 170354

Safety Instructions:

- Not suitable for use in damp or wet conditions and protect the memory card from extreme temperatures to prevent damage.
- Supplied with clear instructions and safety information in plain language.
- Store carefully to avoid damage that could jeopardise the product.
- Children should handle the product under adult supervision as it may contain small parts that pose a choking hazard.
- Avoid direct use in sunlight or at extreme temperatures to prevent damage.
- The card contains small parts that can be swallowed by children; not suitable for children under 3 years of age.
- Only use the card in devices intended for this purpose to avoid damage or data loss.
- Caution: The microSDHC card contains small parts that may pose a choking hazard.
- Please use the supplied SDHC adapter to ensure compatibility with other devices.
- Follow the manufacturer's instructions for safe use and handling of the memory card to minimise the risk of data loss.
- Battery-saving: The card consumes little energy to extend the battery life of your devices.
