Article Numbers: 136953, 136952, 136951, 136950, 136915, 136914, 136913, 136912, 136890, 136889, 136888, 136887, 136886

Safety Instructions:

- When stacking, make sure that the bin is stable to prevent it from tipping over.
- The bin is not suitable for contact with hot liquids or hot food to avoid the risk of melting.
- Only the food-safe colours natural and red can be used for foodstuffs.
- Protect the product from direct sunlight to avoid material distortion or damage.
- Keep out of reach of children to avoid choking hazard or use as a toy.
- Avoid contact with sharp or aggressive objects or chemicals to prevent damage to the bin.
- Ensure that the lid is fitted correctly to prevent accidental opening and contamination.
- Clean after use to ensure hygiene.
- Use only for the intended purpose to minimise safety risks.
- Dispose of the bin in accordance with local regulations as HDPE is recyclable.
- Do not use the black version for food storage.
