Article Numbers: 157045, 157044, 157043

Safety Instructions:

- Can only be fitted in conjunction with the Packpool superstructure portal.
- Observe the maximum load capacity of 35 kg.
- Do not exceed the recommended load capacity.
- There is a risk of objects falling down if the system is not installed correctly.
- Before assembly, ensure that all parts are correctly and firmly connected.
- Small parts may fall - observe the 38 mm upstand.
- User-friendly instructions on safety and assembly are necessary.
- There is a risk of injury if used incorrectly.
- Ensure that the storage console is fitted with a Packpool add-on module.
- The storage console has sharp edges; take care when handling and installing.
- Avoid placing heavy objects on the console when it is tilted to prevent it from falling.
- The storage console must be securely fastened to prevent it from tipping over during use.
