Safety Instructions:

- Please note that the table is designed in different heights for stability.
- Do not use the table as a ladder or step device.
- Avoid overloading the table top beyond the specified maximum load capacity and damage if it is not used.
- Keep small children away from the table to avoid the risk of injury from tipping or falling. The table is not suitable for children, especially not for children under 3 years of age due to small parts.
- Watch out for sharp edges and corners to avoid injury. Sharp edges can lead to injuries when handling.
- Make sure that the table is placed on a stable and level surface to prevent it from tipping over.
- Avoid using harsh chemicals to clean the table; use mild detergents.
- Suitable for indoor use only.
- Avoid direct sunlight to prevent discolouration of the material.
- Improper use or overloading can cause the table top to break.
