Please note the technical data of the products!

Article Numbers: 171331, 171330, 171329, 171328, 171327, 171326, 171325, 171324, 171323, 171322, 171321, 171320

Safety Instructions:

- Keep out of the reach of children to avoid the risk of choking due to swallowable parts.
- To avoid the risk of overheating or fire, only use the paper in the intended printer devices in accordance with the manufacturer's instructions.
- Store the paper in a cool, dry place away from moisture and direct heat sources to ensure quality and ageing resistance.
- Avoid direct contact with water or moisture so as not to impair the quality of the paper.
- Do not store the paper near food or open flames to minimise the risk of contamination and fire.
- Dispose of paper waste in an environmentally friendly manner in accordance with local disposal regulations to reduce the environmental impact.
- Avoid direct skin contact with chemicals, inks or heavily coloured paper to prevent irritation.
- The safety information and instructions should be provided in easily understandable language.
- The product is not suitable for consumption and should not be put in the mouth.
- Use the paper in accordance with the recommended printing technologies (e.g. inkjet, laser, copier) to maintain the print quality.
- High paper thickness: Please handle with care to avoid damage.
