Please note the technical data of the products!

Article Number: 166474

Safety Instructions:

- Always check the height setting for safe use when adjusting the height.
- When moving on smooth floors, make sure that the castors can be locked to prevent them from tipping over.
- To avoid the risk of suffocation, do not store the marker pens near children without supervision.
- Care should be taken to ensure that the flipchart is placed on safe and stable surfaces when in use to prevent it from tipping over.
