Safety Instructions:

- Check the tip-over protection and use only on firm, level ground to avoid the risk of falling.
- Monitor the safety of the castors and ensure that they are secured to ensure freedom of movement and stability and to prevent unintentional rolling.
- Before using the waste bin, ensure that it is properly assembled, stable and that the brake mechanisms are functioning correctly.
- Consider use with balance aids on uneven surfaces.
- Users should be aware that damage may occur if the container is used incorrectly or overloaded.
