Safety Instructions:

- Caution: Choking hazard due to small parts such as magnets and pens that can be swallowed. Avoid contact between small children and the magnets as they are strong.
- Avoid use and storage in the immediate vicinity of children without supervision to prevent injuries from sharp edges or breaking of the glass panel.
- Ensure that the glass panel is securely and stably mounted using the recommended mounting system. Regular inspection of the mounting devices is required.
- Only use the pins and magnets included in the scope of delivery for fastening. Do not use aggressive cleaning agents to clean the surface.
- The glass panel should not be used near open flames or extreme temperatures to avoid damage to the glass.
- Safety glass can break if handled improperly or if subjected to strong impacts. Take care when handling the glass panel to avoid injury.
