Article Number: 166507

Safety Instructions:

- Make sure that the glass panel is set up securely and stably to prevent it from tipping over.
- The board should be checked regularly for safety and stability, especially after moving.
- Only use the magnets supplied to avoid injury from falling parts.
- The glass surface can break if handled improperly. Do not apply excessive pressure.
- Keep the surface clean and free of obstacles to prevent falls.
- The glass panel must not be placed near heat sources or in direct sunlight to avoid discolouration.
