Safety Instructions:

- When installing the glass panel, ensure that the wall structure supports the weight and that the installation is stable to prevent it from falling.
- Only use the glass panel in the intended landscape format to avoid risks.
- Keep small parts such as magnets and the pen tray out of the reach of children to avoid the risk of choking.
- The glass panel is made of tempered safety glass, which can break and cause injury if handled incorrectly. Avoid impacts and contact with sharp objects.
- Clean the surface regularly in accordance with the manufacturer's care instructions to ensure longevity and optimum function. Only use the recommended pens such as special Nobo markers to avoid damage.
- Use of the glass panel in the vicinity of children should be supervised to avoid injury.
