Safety Instructions:

- Make sure that the bucket does not remain filled with water for a long period of time to prevent it from overflowing.
- Only use the mops for their intended purpose to prevent damage to floors or furniture.
- Before each use, check that the swivel castors are intact to ensure that the bucket remains mobile.
- Make sure that the chrome handle is securely and stably connected to the bucket before using it.
- Maintain a safe environment during use to avoid accidents caused by slipping or falling.
- The bumper plates protect the furniture, but you should still manoeuvre carefully to avoid possible damage.
- Keep small parts out of the reach of children to avoid the risk of choking.
