Article Numbers: 137388, 137387

Safety Instructions:

- Before use, ensure that the mop cover is completely dry to prevent mould growth.
- Not suitable for use on sensitive surfaces without prior testing.
- Do not wash above 60 degrees to avoid jeopardising the integrity of the material.
- Take care when using in the vicinity of ignition sources or when using chemicals that can lead to reactions.
- Only use the mop cover for the intended applications for cleaning smooth and water-resistant floors.
- Keep the mop cover away from fire and extreme temperatures.
- The mop cover should be washed before first use.
- Regularly check the condition of the mop cover and replace it if it is worn or damaged.
