Article Numbers: 401679, 401678, 401677

Safety Instructions:

- Note maximum load capacity: 40 kg.
- Secure the parts against accidentally falling over or dropping to avoid injury.
- Only use the product in accordance with the manufacturer's instructions and specifications.
- Suitable safety precautions must be taken when installing and using the set.
- Despite the galvanisation, the product can be damaged by moisture or chemicals, which can lead to injuries.
- Before installation, ensure that all parts are properly installed.
- Ensure that the product is only used for the intended roll widths.
- Only use indoors to avoid corrosion caused by the weather.
- Improper use can lead to injuries; use according to the manufacturer's instructions in the technical documentation.
- Avoid the holding area during use to prevent crushing.
- Ensure the use of suitable load-bearing surfaces and stands.
- Check for damage before use to avoid safety risks.
