Safety Instructions:

- The filter may only be used with the AP30Pro and AP40Pro air washers.
- Hands should be washed thoroughly when handling the filter to avoid possible contact with particles.
- Always disconnect the appliance from the power supply before replacing the filter.
- The filter is not suitable for use in applications that require a higher air exchange rate or for use in uncontrolled environments, e.g. in rooms with extreme temperatures or humidity.
- Keep small parts and packaging materials away from children to avoid the risk of choking.
