Article Numbers: 401967, 401966

Safety Instructions:

- Observe the maximum load capacity of 20 kg.
- Before installation, ensure that the perforated plate is correctly and stably installed to avoid the risk of falling and injury.
- Only adjust the height when the appliance is stable in order to avoid injuries such as crushing.
- During installation, care must be taken not to trap fingers between the moving parts.
- Ensure that the perforated plate is correctly mounted and secured.
- Only use open-fronted storage bins in accordance with the manufacturer's instructions.
- Not suitable for use by children or in areas where children play.
