### Safety Instructions:

- Do not exceed the maximum load capacity of 30 kg.
- Ensure that the assembly is carried out between the table legs to ensure stability.
- Ensure that the shelf is correctly installed before use.
- Installation should only be carried out by qualified personnel.
- Make sure that no parts can fall off the table during use.
- Follow the installation instructions for safe installation.
- For safe use, check for complete assembly before first use.
- Do not use under conditions that could affect stability.
