Safety Instructions:

- Caution: Users should ensure that the trolley is used on a stable, level surface to prevent it from tipping over.
- To avoid injury from the moving parts, hands and other parts of the body should never be placed near the pressing device.
- Childproofing: The trolley should be kept out of the reach of small children as it contains parts that could pose a choking hazard.
- Before use: Check all parts for damage to avoid accidents.
- Cleaning instructions: To ensure safe use of the mop covers, they must be checked regularly and replaced if worn or damaged.
