Please note the technical data of the products!

Article Numbers: 401964, 401963

Safety Instructions:

- The load capacity of the shelf is 30 kg; overloading can lead to damage or toppling over.
- The shelf is height-adjustable; there is a risk of accidents if it is set incorrectly.
- To prevent injury and damage, do not place any heavy or unintended objects underneath the shelf.
- Make sure that the shelf is properly and stably mounted on the packing table.
- Follow the instructions for use carefully when installing and using the shelf.
- Ensure that no hazardous materials are stored near the shelf.
- Check the shelf regularly for damage or wear.
