Safety Instructions:

- Do not insert any objects into the ventilation openings of appliances.
- Do not clean or reuse the filter before the recommended replacement time has elapsed.
- Be careful when attaching to ventilation openings to avoid damaging the appliance.
- Do not bring the filter into contact with water or other liquids.
- Regularly check that the filter is properly secured.
- Do not store Nivea cream near sources of heat or naked flames.
- Keep small parts out of the reach of children.
- Not suitable for children under 3 years of age as small parts can be swallowed.
- Ensure correct installation of the filter to guarantee functionality.
- Replace the filter regularly according to the instructions (every 12 months or after 70,000 pages).
- Disconnect electrical appliances from the power supply before changing the filter.
- Carry out the filter installation according to the enclosed instructions.
- Do not put Nivea cream in your mouth or apply to damaged skin.
