

Product Safety Information

Emergency seal for hazardous material containers, Ø 170-230 mm, screw-on handle, PE

Manufacturer/Responsible Person: Patreco GmbH, Schloßstrasse 38, 40477 Düsseldorf, Deutschland
E-Mail: info@patreco.de

Please note the technical data of the products!

Article Number: 137683

Safety Instructions:

- Risk of suffocation due to improper handling of the stopper when used in containers for hazardous substances.
- Caution: Risk of skin and respiratory tract irritation on contact with aggressive chemicals.
- Caution when using in combination with sulphuric acid and phenol: possible shrinkage and reduced protection.
- Recommended for use by trained personnel only.
- Not intended for long-term use, but only for temporary sealing in the event of leaks.
- Exercise caution at high temperatures (>50 °C) to minimise hazards.
