Article Number: 175896

Safety Instructions:

- Make sure that the under-worktop utensil pull-out is fitted correctly to ensure stability and safety.
- Avoid overloading the utensil drawer to prevent the drawer from breaking.
- Keep dangerous resins, sharp objects or explosive materials outside the utensil drawer to avoid risks.
- Do not use sharp objects to open or close the drawer, as this could result in injury.
- The drawer should be checked regularly for wear and damage to ensure safe use.
